# Coverage Highlights

- Broad coverage for claims alleging negligent acts, errors or omissions in legal services rendered including claims alleging personal injury
- Policy deductible does not erode the limit of liability
- Pro bono coverage is not excluded
- A far-reaching definition of insured, including the firm's current and past attorneys, etc.
- Insured versus Insured coverage where an attorney-client relationship exists
- Defense costs coverage (\$25,000) for disciplinary hearings
- Crisis management insurance, providing up to \$50,000 toward the fees of a public relations firm to help mitigate the damage certain "crisis events" can cause to an attorney and a law firm's reputation while helping to prevent claims and mitigate damages
- Loss of earnings coverage (up to \$250 per half-day/\$5,000 for the policy period)
- Coverage for fiduciary liability claims arising from legal services
- Flexible Bilateral Extended Reporting Period (ERP) options
- Up to \$10,000,000 in limits for qualifying firms
- Definition of the term damages includes punitive damages (to the extent permitted by law)
- Worldwide coverage is provided
- Severability applies to certain exclusions
- A toll-free loss control hotline is also available to all insureds at no additional cost.
